Feltie Clip Cover PDF  
Instructions

Size  
Width= 2.19"  
Height= 1.12"  
Stitch Count  
2340

You will need:

Embroidery Machine  
Embroidery Thread  
Medium Tear Away stabilizer  
Felt  
Sharp scissors  
Pins/Double sided tape

Put stabilizer in frame

Place felt square on top of stabilizer

Stitch out first 3 colors

DO NOT UNHOOP FELT OR STABILIZER

Remove hoop frame from machine.

Add second square of felt to the back of the hoop with pins or double sided tape.

Back Side of Hoop

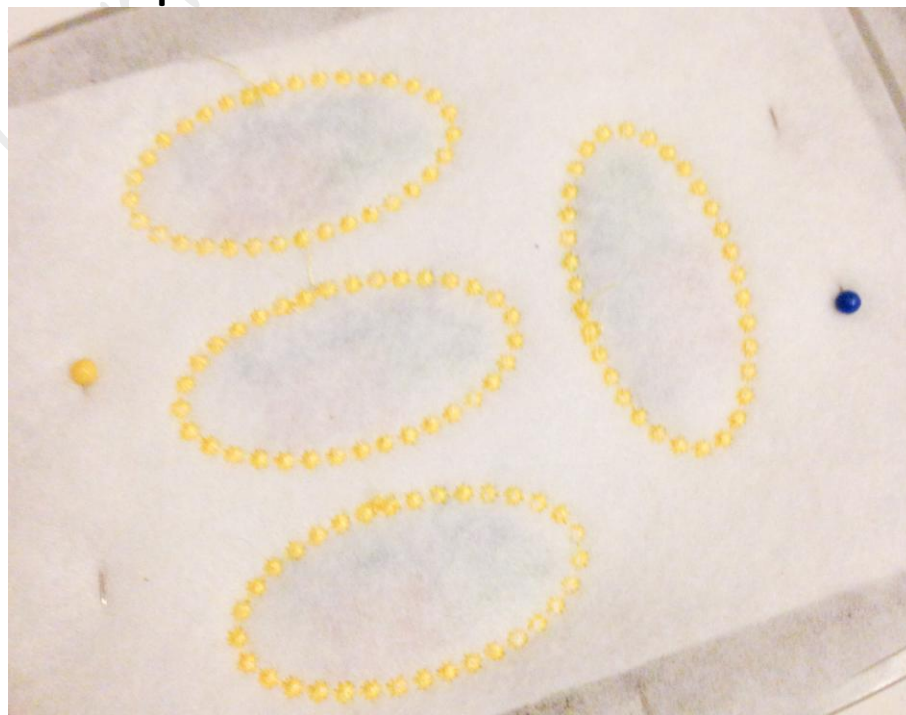

Place hoop back on machine for final stitch.

Front Side of Hoop

Back of hoop once final stitch is finished.

Remove  
pins and  
unhoop  
felt and  
stabilizer  
from  
hoop.

Cut into large squares and remove stabilizer  
BEFORE final cut.

Cut out final feltie snap clip.

Cut a small slit in the back of felt and add snap clip
